- Classification
- Picture Space
- Shop Decoration
- Entry Information
- Two level domain name
- Shop Articles

\*Shop banner:   
It is recommend to upload 1920 \* 150 pixel image (the main content is within 1200, and the image beyond the screen size will be truncated)

\*Shop customer service hotline:   
Please input the shop customer service for transaction contact, so as to facilitate the buyer's consultation and communication.

Shop contact QQ:   
If you use Tencent QQ for transaction contact, please fill in here.

Shop contact wechat:   
If you use wechat for transaction contact, please fill in here.

\*SEO-Title:   
The title of the home page is suggested to use: "main product keyword - company name". 2 to 4 key words are better, and the important key words are higher. For example: tire pressure monitoring, reversing radar, XXXX Co., Ltd.

\*SEO keyword:   
Keywords of main products, it is suggested to use: "keywords of main products, regional keywords and brand keywords". Three to six key words are the best, and the important ones are the first. Such as: tire pressure monitoring, reversing radar.

\*SEO store Description:   
The description of the website is equivalent to the summary of an article. Usually in Baidu, Google and other search results page shows that a good description is equivalent to the advertising words of the web page, directly attracting users to click your company's website. Recommend use: the company profile and main product keywords are linked into a smooth sentence, and the keywords in the title appear once as much as possible. For example, XXXX Electronics Co., Ltd. has made remarkable achievements in marketing, quality assurance, after-sales service and other aspects, mainly manufacturing and selling security products, anti-theft equipment, electronic products, car audio, etc.

## 2: Store Slide

Click on store slide to add slide according to your shop. First delete the previous slide then Choose particular slide and click on submit.

The screenshot shows the 'Store Slide' management interface. The sidebar menu on the left has 'Store Slide' highlighted. The main content area features a 'Store Slide' management page. At the top, there is a 'Prompt information' box with the text: 'Set up the store slide, the slide content will appear on the store home page. It is recommend to upload 1920 \* 500 pixels of the image to avoid unclear image.' Below this, there is a list of existing slides. The first slide is titled 'INDUSTRIAL PROTEIN FOOD PRODUCTION MACHINE' and features an image of a large industrial machine. To the right of the slide list, there are two columns of controls. The first column is labeled 'Step 2' and contains an 'Upload:' section with a 'Choose File' button (highlighted with a red box) and a 'Delete' button (highlighted with a red box). Below this are fields for 'Link address:', 'Row', and 'Preface:'. The second column is labeled 'Step 1' and contains an 'Upload:' section with a 'Choose File' button (highlighted with a red box) and a 'Delete' button (highlighted with a red box). Below this are fields for 'Link address:', 'Row', and 'Preface:'. At the bottom of the slide list, there are two 'Upload Picture' buttons.

To view changes, go to shop home.

The screenshot shows the shop home page for 'HENAN QUANFU FOOD COMPANY, LTD'. The page features a yellow header with the company name. Below the header, there is a navigation bar with links for 'All Categories', 'Shop Home', 'Purchase Details', 'Company Profile', 'Contact us', and 'Store Consult'. The main content area displays a large banner for 'INDUSTRIAL PROTEIN FOOD PRODUCTION MACHINE' with an image of the machine. The banner is highlighted with a red border. Below the banner, there are two buttons: 'Henan quanfu food' and 'Shops sell well'.
